**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND  
DISCLAIMER REGARDING DEBTORS' SCHEDULES AND STATEMENTS**

The Schedules of Assets and Liabilities (collectively with attachments, the “Schedules”) and the Statements of Financial Affairs (collectively with attachments, the “Statements,” and together with the Schedules, the “Schedules and Statements”) filed by William R. Greendyke, the chapter 11 trustee (the “Trustee”) for the above-captioned debtors (the “Debtors”), were prepared pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) by management of the Debtor, with the assistance of the Debtors’ advisors, and are unaudited.

These Global Notes and Statement of Limitations, Methodologies, and Disclaimers Regarding the Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

While reasonable efforts have been made to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information that was available at the time of preparation, the Debtors’ business is complex and inadvertent errors, inaccuracies, or omissions may have occurred and the Trustee or the Debtors’ management may discover subsequent information that requires material changes to the Schedules and Statements. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that the Schedules and Statements are complete. All claims are subject to further review and the failure to list a claim at present as unliquidated, contingent, disputed, or subject to setoff, does not mean that such designation may not change in the future.

The Schedules and Statements have been signed by Jeffrey Beicker, the CEO of the Debtors as of the Petition Date (defined below). Accordingly, in reviewing and signing the Schedules and Statements, Mr. Beicker necessarily relied upon the efforts, statements, and representations of the Debtors’ other personnel and advisors. Mr. Beicker has not (and could not have) personally

<sup>1</sup> The Debtors in these chapter 11 cases and the last four digits of their federal tax identification numbers are as follows: Permico Midstream Partners Holdings, LLC (6374) and Permico Midstream Partners LLC (7902). The location of the Debtors’ corporate headquarters and service address is 9301 Southwest Freeway, Suite 308, Houston, TX 77074.

verified the accuracy of each such statement and representation, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and respective creditor addresses.

The Global Notes supplement and are in addition to any specific notes contained in the Schedules or Statements.

**1. Description of Cases.** On May 4, 2020 (the “Petition Date”), each of the Debtors filed a voluntary petition for chapter 11 relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”). On May 22, 2020, this Court entered its *Order Approving Appointment of Chapter 11 Trustee in the Jointly Administered Permico Midstream Partners Holdings, LLC Cases*, appointing William R. Greendyke to serve as the chapter 11 trustee for the Debtors.

**2. “As Of” Information Date.** To the best of the Debtors’ knowledge, the asset information provided herein, except as expressly noted otherwise, represents the asset data of the Debtors as of the Petition Date. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Trustee reserves all rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as “unknown,” “disputed,” “contingent,” “unliquidated,” or “undetermined,” and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

**3. General Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Trustee reserves all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including the right to amend the Schedules and Statements with respect to any claim (“Claim”) description or designation; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated;” or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of (a) liability, or (b) amounts due or owed, if any, by the Debtors against which the Claim is listed or against the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to this chapter 11 case, including issues involving Claims, defenses, equitable subordination, or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant nonbankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

**4. GAAP.** Given the difference between the information requested in the Schedules and Statements, and the financial information utilized under generally accepted accounting principles in the United States (“GAAP”) the aggregate asset values and claim amounts set forth in the

Schedules and Statements do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

**5. Confidential or Sensitive Information.** There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to concerns about the confidential or commercially sensitive nature of certain information or concerns for the privacy of an individual. The alterations or redactions are limited only to what is necessary to protect the Debtor or the applicable third-party.

**6. Causes of Action.** Despite reasonable efforts to identify all known assets, all causes of action or potential causes of action of the Debtors against third-parties may not be listed as assets in the Schedules and Statements. The Trustee reserves all rights with respect to any Claims or causes of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) the Debtors or Trustee may have, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

**7. Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the Claims, assets, executory contracts, unexpired leases, interests, and other items reported in the Schedules and Statements. Nevertheless, the Debtors may not have accurately characterized, classified, categorized, or designated certain items. The Trustee therefore reserves the right to recharacterize, reclassify, re-categorize, or re-designate items reported in the Schedules and Statements at a later time as necessary or appropriate.

**8. Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Trustee reserves the right to amend the Schedules and Statements as he deems appropriate in this regard.

**9. Excluded Assets and Liabilities.** Certain categories of assets and liabilities have been excluded from the Schedules and Statements. The Debtors also have excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may be rejected (if any), to the extent such damage Claims exist. In addition, certain immaterial or de minimis assets and liabilities may have been excluded.

**10. Property and Equipment.** Unless otherwise indicated, owned property (including real property) and equipment are stated at net book value. The Debtors may lease furniture, fixtures,

and equipment from certain third-party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Trustee reserves all rights with respect thereto.

**11. *Inventory.*** As referenced above, it would be prohibitively expensive, unduly burdensome, and time consuming to physically inspect all inventory held by the Debtors. Further, the last inventory information available to the Debtors was generated in the ordinary course of business on or about the Petition Date. Accordingly, to the extent inventory is disclosed, referenced, and/or described in the Schedules and Statements, such disclosures are based on information reasonably available to the Debtors as of May 2020.

**12. *Estimates.*** To prepare and file the Schedules and Statements in accordance with the requests of the U.S. Trustee, the Debtors were required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. The Trustee reserves all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

**13. *Fiscal Year.*** The Debtors' fiscal year ends on December 31.

**14. *Currency.*** All amounts are reflected in U.S. dollars.

**15. *Executory Contracts.*** Although diligent attempts have been made to properly identify the counterparty(ies) to each executory contract on Schedule G, it is possible that more executory contracts than listed on Schedule G. The Trustee reserves all rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G. In addition, although the Debtor made diligent attempts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any Claims held by the any counterparty to such contract or lease. Furthermore, while the Debtors made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over inclusion may have occurred.

**16. *Leases.*** Future obligations of any capital or operating leases have not been included in the Schedules and Statements. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included on Schedule E/F of the Schedules.

**17. *Insiders.*** The Debtors have attempted to include all payments made on or within 12 months before the Petition Date to any individual or entity deemed an "insider." An individual or entity is designated as an "insider" if such individual or entity, based on the totality of the circumstances, had at least a controlling interest in, or exercises sufficient authority over, the Debtors so as to unqualifiably dictate corporate policy and the disposition of corporate assets.

The listing of a party as an “insider” is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, Claim, right, or defense, and all such rights, Claims, and defenses are hereby expressly reserved.

**18. Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts included in the Schedules and Statements. To the extent there are unknown, disputed, contingent, unliquidated, or otherwise undetermined amounts, the actual total may be different than the listed total.

**19. Setoffs.** The Debtors may incur certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, but not limited to, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and their customers or vendors and setoffs or netting permitted under common obligations of a single joint operating agreement. These offsets and other similar rights are consistent with the ordinary course of business and are not tracked separately. Therefore, although the impact of such offsets and other similar rights may have been accounted for when certain net amounts were included in the Schedules, offsets are not independently accounted for, and as such, are not included separately in the Debtors’ Schedules and Statements.

**20. Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, or services are listed as amounts entered on the Debtors’ books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtors. The Trustee reserve all rights respecting such credits, allowances, and other adjustments.

**21. Guarantees and Other Secondary Liability Claims.** Reasonable best efforts have been used to locate and identify guarantees and other secondary liability claims (collectively, the “Guarantees”) in the Debtors’ executory contracts, unexpired leases, debt instruments, and other such agreements; however, a review of these agreements, specifically the Debtors’ leases and contracts, is ongoing.

**22. Mechanics Liens.** The property and equipment listed in the Schedules are presented without consideration of any mechanics’, materialman’s or other similar statutory liens. Such liens may apply, and the Trustee reserves the right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor.

**23. Global Notes Control.** In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

### **Specific Disclosures with Respect to the Debtors’ Schedules**

**1. Schedule A/B.** Real property is reported at book value. Certain assets may be listed as real property when such assets are in fact personal property, or certain assets may be listed as personal property when such assets are in fact real property. Additionally, certain assets, including pipe subject to purchase orders by and between the Debtor and Corpac Steel Products Corp. and by and between the Debtor and Edgen Murray Corporation are subject to determination of the title disputes in Adversary Proceeding Nos. 20-03126 and 20-03173. As of

the date of the filing of these Schedules, the Trustee has not yet answered the Adversary Proceeding complaints, discovery has not commenced, and the Trustee does not have sufficient information to take a position as to the estate's rights, interests, and liabilities associated with the pipe. The Trustee reserves all rights to re-categorize or recharacterize any asset holdings to the extent the Trustee determines that such holdings were listed incorrectly.

The failure to list any rights in real property on Schedule A/B should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time.

Despite reasonable best efforts to identify all known assets, all of the Debtors' Causes of Action or potential Causes of Action against third parties may not be listed as assets in the Schedules and Statements. The Trustee reserve all rights with respect to any Causes of Action that the Debtor may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims.

**2. *Schedule D.*** Except as otherwise agreed pursuant to a stipulation, or agreed order, or general order entered by the Bankruptcy Court that is or becomes final, the Trustee reserves the right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D. Moreover, although various creditor claims may be scheduled as secured claims, the Trustee reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

**3. *Schedule E/F, Part 1: Creditors Holding Priority Unsecured Claims.*** The listing of any claim on Schedule E/F does not constitute an admission that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Trustee reserves all rights to dispute the amount and the priority status of any claim on any basis at any time.

**4. *Schedule E/F, Part 2: Creditors Holding Non-Priority Unsecured Claims.*** Reasonable best efforts have been used to list all general unsecured claims against the Debtor on Schedule E/F based upon the Debtors' existing books and records as of the date of the Order for Relief.

Certain creditors listed on Schedule E/F may owe amounts to the Debtor and, as such, the Debtor may have valid setoff or recoupment rights with respect to such amounts. The amounts listed on Schedule E/F do not reflect any such right of setoff or recoupment and the Trustee reserves all rights to assert any such setoff or recoupment rights. Additionally, certain creditors may assert mechanics', materialman's, or other similar liens against the Debtors for amounts listed on Schedule E/F. The Trustee reserves the right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule E/F.

Schedule E/F does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, such amounts are reflected on the

Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date.

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, Schedule E/F does not list a date for each listed claim.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in whole or in part in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule E/F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

Reasonable efforts have been made to locate and identify guaranties and other secondary liability claims (collectively, the "Guaranties") in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements to which any Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedules. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. The Trustee reserves the rights to amend the Schedules to the extent additional Guaranties are identified or such Guaranties are discovered to have expired or be unenforceable. Additionally, failure to list any Guaranties in the Schedules and Statements, including in any future amendments to the Schedules and Statements, shall not affect the enforceability of any Guaranties not listed.

**5. Schedule G.** Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G.

The Trustee hereby reserves all rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, and to amend or supplement Schedule G as necessary. The inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any Claims held by the counterparty to such contract or lease, and the Trustee reserves all rights in that regard, including, without limitation, that any agreement is not executory, has expired pursuant to its terms, or was terminated prepetition.

In addition, Schedule G does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.
